

Pinewoods Dining Hall 2021 Hybrid Model (options for Take Out or Eat In)

DINING HALL COVID PROTECTIONS:

As of June 22, 2021 the Governor of Michigan has [rescinded all executive orders](#) related to COVID-19, therefore lifting the protective measures and requirements at the state level. The following guidelines are designed to help Pinewoods members, guests, and staff remain as safe as possible while using the Dining Hall this summer.

Vaccination: We encourage everyone using the Dining Hall to get vaccinated against COVID-19 if possible.

Signage: Signage on entry encourages people to self-screen, wear masks if unvaccinated, clean hands, and limit indoor socializing.

Health screening: Diners are asked to stay home if any of the following is true: experiencing COVID-19 symptoms (fever, cough, shortness of breath, loss of taste/smell, sore throat, etc), exposed to positive COVID-19 case within last 14 days, or at high risk for COVID-19.

Masks: For any unvaccinated person or those taking extra precautions, masks are encouraged while inside the Dining Hall building until seated at tables and eating. Disposable masks available at entry for those who do not have them.

Hand hygiene: All diners are asked to sanitize their hands before touching serving utensils and surfaces along the buffet. Hand sanitizer dispensers at entry and at start of buffet line.

Capacity: Capacity restrictions have been eliminated in Michigan. However, diners are asked to move outdoors promptly after finishing meal to keep numbers down in the Dining Hall.

Ventilation: Windows and doors will remain open and overhead fans will be turned on during meals to maximize ventilation and air flow.

MEAL SERVICE:

Meals Available: The Dining Hall staff will prepare and serve breakfast (8:15-9:00a), lunch (12:30-1:00p), and dinner (6:30-7:15p) each day, with the exception of Wednesday dinner. The first meal of the season will be dinner on Friday June 25 and the last meal will be lunch on Sunday August 29.

Food Service: After sanitizing hands, diners will serve themselves from the buffet line as usual. Second servings can be obtained on a new, clean plate.

Take Out: Diners may choose to take out meals to reduce exposure associated with eating in the Dining Hall. Take out will be an option throughout the meal, but those hoping to minimize exposure are asked to arrive at the very start of each meal. Those opting for take out will serve their own food from the buffet into reusable take-out containers, which they can carry to their cottages or outdoor picnic tables. Disposable utensils, napkins, and beverages will be available. Take out containers are reusable and need to be washed and returned at the next meal.

Table Settings: Placemats, silverware, napkins, salt/pepper, and sugar will be provided at each table. No personal placemats and cloth napkins will be allowed this year.

Kitchen Access: Only staff will be allowed to enter the kitchen area. Bathrooms should be accessed from outside the building.

NOTIFICATION AND PAYMENT

Notification of Arrival and Departure: Email Kathy Piehl (kjpiehl60@gmail.com) to notify her of arrival and departure for planning, including the number of people and any dietary restrictions. This is essential so that Kathy can order and prepare food quantities appropriately. There is no pre-ordering required this year.

Billing sheets: Billing sheets will also serve as a tool for contact tracing should a case of COVID-19 arise. Billing sheets will be submitted by Wednesday lunch for any meals during the previous week.

Board Rates: Meals will be billed according to the following rates for 2021:

	Adult	Youth	Child	Under 5
		<i>9 to 12 yrs</i>	<i>5 to 8 yrs</i>	<i>0 to 4 yrs</i>
